Hales of Drybrook are pleased to announce the forthcoming arrival of -:

A BRAND NEW DEMONSTRATION KITCHEN WITH A RANGE OF FULLY WORKING APPLIANCES BY THE UK'S LEADING KITCHEN APPLIANCE MANUFACTURER, NEFF

Find out everything you ever wanted to know about the very latest new ideas in kitchen appliance technology, including:

- The Neff SlideAway door oven
- How to cook with a Steam Oven
- The convenience and safety of an Induction Hob
- Reducing food wastage with a 'VitaFresh' Fridge

These are just some of the many Neff built in appliances you will be able to see in action when Hale & Co open their fully working demonstration kitchen in their new showroom development at Nailbridge, Drybrook.

The new fully working kitchen at Hales is the perfect opportunity to demonstrate the huge range of features and benefits that Neff appliances can offer our customers. What's more, we will be hosting a number of exclusive cookery demonstrations by expert Neff Home Economists for the benefit of all Neff Customers – new and existing – to ensure that they are making the most of their Neff appliances.

Work on the new purpose built showroom development is moving forward apace. The Heating & Plumbing Department and Showroom, incorporating the new fully working Demonstration Kitchen, is scheduled to open in early January 2011.

The new Kitchen and Bathroom Showroom featuring approximately 25 display kitchens and 20 bathroom settings, along with tiling and flooring display areas, is due to open in early Spring 2011.

On completion, the Hales showroom will be the largest and most extensive showroom and demonstration complex in the area. With experienced staff on hand to offer advice, Hales will be well equipped to assist trade and retail customers to select the best products for their building and refurbishment projects.
